

Preamble

QST QST QST

Calling all FARM Net members. This is [*Call, Name, QTH*], your net control station for this session. The Friendly Amateur Radio Missions Net meets daily on 3937 kc at 0200 UTC. The purpose of the FARM Net is to promote good amateur radio practice by being available for emergency and other traffic, meeting old friends, and making new friends on the air. All amateurs are welcome to join the net. A station may get on the roll by checking in at least 5 times in a 30 day period. To remain on the roll, a station must check in at least 5 times in a calendar month unless excused by the Net Manager, [*Net Manager Call*].

This is a directed net – please do not transmit unless invited to do so by the net control station. Please use your call sign when breaking the net. If you hear a station you wish to contact or a station I did not recognize, please break with the words “Contact” or “Relay” and your call sign.

Unless excused by the NCS, all stations should remain on frequency until the roll call is complete. Late and visitor check-ins will be called for after the regular roll call.

Closing

Hearing no further business for the FARM Net, this station [*NCS Call*] would like to thank everyone for checking in. The relays were very much appreciated! You can find more information about the FARM Net by visiting www.farmnetweb.net. The FARM Net will now close at [*Current UTC Time*] UTC and [*NCS Call*], your net control station for this session will return the frequency to regular amateur use. Good evening and 73.
